

I have Coronavirus

Coronavirus is a new virus.
Coronavirus is also called COVID-19.

I am sick. I have a cough and a fever.
It is hard for me to breathe.

I went for a test. The test said that I
have Coronavirus.

I need to stay away from other
people so they don't get Coronavirus
too.

I need to go to another house to get
better.

I need to stay in a special room while I get better.

Staff will have to wear funny clothes while I get better. This is to protect them from getting Coronavirus.

Staff will look different when they are wearing these clothes. That is ok!

I will move back home when I am better.
